Be the best you can be...

MERRY CHRISTMAS!

Although I agree that it seems a little early, we've reached the end of another Christmas term, and have been fortunate throughout not to have been affected by the pandemic as much as many schools.

In light of the current situation, we have to be prepared for that to change in the New Year, but remain hopeful that our community will continue to be relatively unaffected.

On behalf of all the staff, thank you for all your support over the past year. We hope that you have a fantastic Christmas break and are able to enjoy the time with your children, family and friends.

Stay safe, we'll see you in 2022!
